CHAMBERS

Citizens Complaint Penal Code 832.5 for Lake Superior Case CR-4000 and Con-rep

My name is Vincent Lee Rosenbalm and I believe Lake County has held me illegally while incarcerated and on CON-REP release program, similar to parole on Case CR-4000 by Lake County from 1993 to 2004 and 11 year case with release program. This document is to be used with my pardon request and hopefully retribution for misconduct that I will document on this form.

1. While in Patton State Hospital in 1998 my last year of incarceration of a 5 year sentence I was taken to San Bernardino Jail, yet never arraigned or charged. This is definite illegal and grounds to throw out this case. I know this happened in the spring just before I was released.
2. In March of 2004 at Lake County Jail I was not arraigned within 72 hours, after arrest in February in Ukiah I was taken to Lake County Jail on a Monday and not taken to court till Thursday late in the day. I was not arraigned within 72 hours. They attempted to dismiss the case illegally, saying the arrest was due to a computer error?
3. I ask for this Pardon due to 11 years with no arrest and I have obtained two college degrees, which includes an AS at Mendocino College and a BSM at Pacific Union College in Napa County. I also work as a professional golfer. Vincent Rosenbalm

4. The last 8 years I have worked mainly in the golf field at a driving range and several golf courses. I worked as a professional caddy and golfer. Since my release from custody in 1998 on CASE CR-4000 I have also worked for the state as a Security Guard and worked at Mendocino Community College.
